FUJI XEROX

DocuPrint 2065 & 3055

A3 Black & White Laser Printer

A choice of 2 printers to match your business needs.

Fast speed and high paper capacity deliver greater productivity – at an affordable price and economical running costs.

DocuPrint 2065

- Media Input Capability
Standard: 400 sheets
Maximum: 1,500 sheets
- Network ready
- Optional copy capability

DocuPrint 3055

- Media Input Capability
Standard: 700 sheets
Maximum: 2,350 sheets
- Network ready
- Optional copy capability

Crisp, A3 black & white printing, up to 1200 dpi

Great Price and Performance

- DocuPrint 2065: Fast 26 ppm (A4) and 15 ppm (A3) monochrome output.
- DocuPrint 3055: Fast 35 ppm (A4) and 20 ppm (A3) monochrome output.
- Warm-up time of less than 16 seconds.
- Large paper capacity and media flexibility to suit your work environment.
- Low cost.
- Network ready.

Easy to Use

- Compact design allows for easy placement on the desktop.
- Requires less installation space due to full front access.
- Large paper capacity meets the demand of the busiest office environment.
- Standard Mac OS X and Linux printer driver.
- Genuine Adobe PostScript 3 (optional).
- CentreWare IS - Check/manage printer status via web browser or e-mail.
- Add scanning functionality with a DocuScan scanner.

Combine the DocuScan C4250 scanner with either DocuPrint 2065 or DocuPrint 3055 printer for feature-rich copying and scanning capabilities.

Powerful Printing Features

- Secure print - Protects confidential documents by requiring a password at the printer before printing.
- Sample print - Prints the first copy of a multi-copy document. Useful for checking a document before printing remaining copies from the control panel.
- Booklet printing.
- Duplex printing (requires optional Duplex Unit).
- Watermark print - Prints a watermark over documents. Choose from six pre-registered watermarks or create your own.
- Form print (image overlay) - Prints a form over documents. Forms can be created in a variety of applications.
- Control printing costs with the Auditor Function.

DocuPrint 2065/3055

A3 Black & White Laser Printer

DocuPrint 3055 with optional feeders

Flexible and reliable paper handling

- 1 The 250-sheet paper cassette (standard on DocuPrint 2065) or the 550-sheet feeder (standard on DocuPrint 3055) handles up to 216 gsm cover stock.
- 2 3 4 Optional Feeders (250-sheet or 550-sheet) can be added to both the DocuPrint 2065* and DocuPrint 3055*.

* Maximum of 2 feeders can be added * Maximum of 3 feeders can be added.

Auditor function

Control access with the included Auditor function. This is ideal for managing printer usage in a workgroup. Auditor function allows you to set print limits for users, restrict printer access and control colour usage.
